We Give Back!

SkillsUSA members along with CTE students from the Butler Farm campus donated \$668.85 in cash and over 400 pounds of non-perishable food to the Virginia Peninsula Foodbank.

Advanced Technical Careers

A C A D E M Y

Automotive Construction Manufacturing

The Advanced Technical Careers Academy is in full swing at both Butler Farm and Woodside Lane. Students are studying hard in their content areas, finishing up resume writing skills, and preparing for interviews.

Career Exploration

January 16, 2019 Williamsburg/James City County brought their eighth grade students to the Woodside Lane campus to bridge education with career exploration. Each Career and Technical Education class created an original interactive display demonstrating what they have learned in class and how it relates to a career.

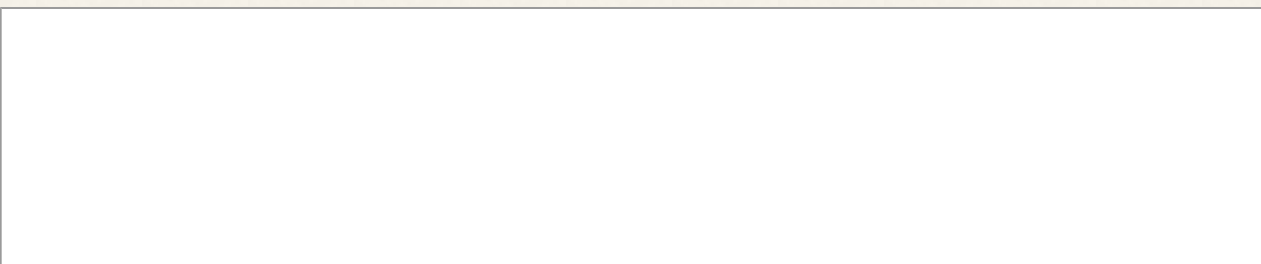

CTE month is February 2019!
