..... Then this is the program for you!

About the program:

Students in this one-year program are preparing for many of the exciting, challenging, and rewarding careers in the criminal justice field. These opportunities require people who want to operate in both high energy and high-tech fluid environments filled with constant challenges and service commitments. Students will study the history of and types of law enforcement requirements as they gain an understanding of local, state, and federal law enforcement departments and jurisdictions. Students will learn about and use some of the newest technology in the criminal justice field as they undertake and engage in crime scene investigations. Some of the finest local state, federal, and private sector industry professionals provide classroom presentations and hands-on training opportunities. Students will also learn about the court system and corrections.

Career Opportunities:

- DEA
- Police & Sheriff Departments
- Private Security
- Criminal Law
- Private Law Practice
- Secret Service
- Corrections
- NCIS
- Homeland Security
- State Police Agencies
