Chapter 24 Dental Unit Waterlines		
Competencies		
Maintain Dental Handpieces	HMS8329.019	
Clean and disinfect equipment and solutions	HMS8329.022	
Maintain dental sterilization equipment	HMS8329.023	
Maintain evacuation system	HMS8329.024	
Maintain auxiliary equipment	HMS8329.025	
Describe Disease's transmitted in an office	HMS8329.026	
Comply w/ State Regs regarding Infec control	HMS8329.027	
Maintain aseptic in dental area/steril tech	HMS8329.029	
Explain Pharmacology terms	HMS8329.040	
Describe signs/.symptoms of drug abuse	HMS8329.042	
Explain major routes of drug administration	HMS8329.043	
Explain types of anesthesia in Dentistry	HMS8329.045	
Seat and position patient	HMS8329.058	
Dismiss patients	HMS8329.059	
Pass and retrieve instruments	HMS8329.060	
Maintain clear field of vision	HMS8329.061	
Perform oral evacuation	HMS8329.062	
Prepare basic operatory setup	HMS8329.063	
Prepare dental dam equipment	HMS8329.064	
Prepare amalgam tray materials for proced.	HMS8329.065	
Prepare composite tray setup	HMS8329.066	
Perform preventive dentistry treatment	HMS8329.073	
Pour/trim diagnostic cast	HMS8329.076	
Prepare lab prescription	HMS8329.077	
Fabricate custom tray	HMS8329.078	
Fabricate temporary crown	HMS8329.079	
Greet patient	HMS8329.081
