

September 30, 2022

Dear Parents and Guardians,

The Center for Autism and Newport Academy would like to remind parents and guardians of important dates to remember during the month of October. This reminder is for NHREC Special Education Programs at the Center for Autism (Kiln Creek Elementary, Yorktown Middle School, and Woodside Lane High School) and Newport Academy (Woodside Lane) only.

In accordance with our 2022-2023 school calendar, Friday, October 7th, 2022 will be an **early release day** for students. Students will be dismissed at 11:00 am.

Our school calendar lists Friday, October 21st, 2022 as "students do not report", however *this has been changed* and Friday, October 21st, 2022 will now be an **early release day** for students. Students will be dismissed at 11:00 am.

If you have any questions or concerns, please contact your student's classroom teacher.

As always, thank you for your continued partnership.

Respectfully,

Joy Richardson, Ed.D.  
Program Coordinator
