

**New Horizons Governor's School for Science and Technology
Recognized as Virginia Living's
2023 Top High School**

Virginia Living's editorial team carefully assessed each school and selected those that have implemented programs, created curriculum, or initiated capital improvements aimed at strengthening students' educational experience in the classroom and beyond.

New Horizons Governor's School for Science and Technology will appear in the **March/April 2023 issue of Virginia Living Magazine!** All of our Top Schools & Universities will be listed in the annual **State of Education Super Section** of the spring issue, and each listing will be accompanied by a 75-word editorial highlight (written by VL's editorial team). In addition, the Governor's School for Science and Technology will receive a digital winner's badge around the time of publication, and an online directory of winners will be posted for a full year on the Virginia Living's website following the run of the magazine.
