**Program
Description**

The primary purpose of this cosmetology course is to train the student in the essential practical skills, safety judgments, proper work habits, and desirable attitudes necessary to obtain licensure, and for competency in entry-level positions in the cosmetology field or a related career field.

How You Learn

The clock-hour education is provided through a sequential set of learning steps that address specific tasks necessary for state board preparation, graduation, and entry-level job skills. Clinic equipment, implements, and products are comparable to those used in the industry. Each student will receive instruction related to the performance of useful, creative, and productive career-oriented activities. The course is presented through comprehensive lesson plans that reflect effective educational methods. Subjects are presented by means of lectures, demonstrations, and student participation. Audiovisual aids, guest speakers, field trips, projects, activities, and other related learning methods are used in the course.

Attendance

Students must attend 100 percent of the total course hours.

Attendance will be factored into the student's daily grade.

The Employability grade for each day absent will be a "0"

New Horizons Grading Policy

The grading scale is as follows:

100-90 – A

89-80 – B

79-70 – C

69-60 – D

59 and below – F

How Am I Graded?

Students are assigned theory study, a minimum number of practical experiences, and employability skill assessment which are required for course completion. Theory is evaluated after each unit of study and makes up 33% of final grade. Students must maintain a theory grade average of 85% or better and pass a final written exam prior to graduation. Students must make up all failed or missed tests and incomplete assignments. Practical assignments are evaluated as completed and counted toward course completion and make up 33% of final grade. Practical skills are evaluated according to text procedures, and performance standards established by the state licensing agency. Employability skills make up 34% of final grade and are based on employer needs in an entry level employee.
