TEXT: *The Pharmacy Technician Textbook Seventh Edition by The Morton Publication / NHA Online Training ExCPT*

The Mission of The Pharmacy Tech Program is to Develop students to become Future Health Professionals, to Enhance their skills of leadership and creativity, and to Empower the Community by providing information on safety practices concerning medications.

COURSE DESCRIPTION:

This course is designed to prepare students for a rewarding and exciting career as a Pharmacy Technician. The Student will learn how to be an asset to the Pharmacist and Pharmacy setting in retail or hospital. Students will learn rules, regulations, and laws, read doctor's orders and input them into the computer, order, and inventory drugs, manage insurance claims, and know medication names (brand and generic) for both settings.

RETAIL:

- Excellent customer service skills
- Good telephone etiquette
- Dispensing Medications
- Inventory
- Calculations
- Manage Insurance Claims
- Compounding

HOSPITAL:

- Prepare IV medications
- Discuss automated machines
- Unit Dosing
- Calculations
- Nursing units

This course's instruction method will include lectures, PowerPoint, class discussions, practical exercises, computerized games, online lessons, and Guest Speakers.

Students are expected to read and do all assignments. Tests and quizzes will be announced; however, during the 2nd semester, students will begin preparing for the NHA ExCPT Exam using Online Training. In the event of absences, it will be the **student's responsibility** to contact the instructor for any missed work.

CLASS RULES:

- Follow all of the rules in the 'Student Handbook
- Respect all classmates and teacher
- Keep your hands to yourself and do not touch others or their possessions
- All students must arrive on time to class with supplies by 7:40 am for the Morning class and 12:15 pm for the Afternoon class (In-class instruction).
- No profanity, inappropriate conversations, or body language
- No dishonesty
- Be responsible
- No Cheating or Plagiarism
- **No cell phones in class. There will be a designated place for cell phones.**
- **No outside classwork is permitted during instruction.** Outside work **MAY** be completed before class and during break.
- **Students will turn in all absence notes to Mrs. Stroble.**

DRESS CODE:

- Monday, and Friday—regular school attire. **Jeans(No Rips or Holes) and Casual Pants ONLY**
NO PAJAMAS, LEGGINS OR SWEATPANTS
- Lab Days: Tuesday, Wednesday, and Thursday—**Scrubs and Closed-Toed Shoes**

SUPPLIES:

- 2 Inch Binder
- Binder Dividers
- 1 pack of College Ruled Paper
- #2 Pencils or 0.7MM Mechanical Pencils
- Highlighters—at least 2
- Sheet Protectors
- 1 box of Tissues
- 200 Sheets Spiral Notebook (Drugs.com)

STUDENTS WILL BE EVALUATED BASED ON THE FOLLOWING:

Employability Skills: (34%) Are skills needed to be successful in the workforce. Examples of these skills include but are not limited to, effective communication, time management, the ability to follow directions and safety rules, the ability to work independently and as a team player, personal appearance (lab attire), proper use of vocabulary and terminology, class attendance, externship and respect for self and others.

Related Instruction: (33%) Worksheets, vocabulary, projects, and other classroom assignments will determine the overall related instruction grade.

Competencies: (33%) An outlined teaching skills given by the Virginia Department of Education Based Task/Competency List for Pharmacy Technician course. Also included in this category is a basic understanding of Virginia's Workplace Readiness Skills.

GRADE SCALE:

The grading scale at New Horizons Regional Education Center is as follows:

90-100	A
80-89	B
70-79	C
60-69	D
Below 60	F

ADHERENCE TO THE NEW HORIZONS ATTENDANCE POLICY:

All students are required to attend classes regularly. The policy states that any student may miss four days per quarter without excuse, but the fifth absence equates to a failing grade for the quarter. In addition to New Horizons attendance policy, The Pharmacy Tech Program has 420 seat hours that the students should have to be able to receive completion of certification and take the exam. **Students should not miss more than 5 days for the entire school year. Students are allowed to make up days if they have missed more than the days allotted (e.g. if their home school has a half-day). Please see Mrs. Stroble regarding any make-up days.**

FIELD TRIPS:

There are several field trips scheduled. The field trips are **MANDATORY** and will be announced in advance so students can make the necessary arrangements with their school and teachers.

EXTERNSHIP:

All students will participate in an externship with Riverside Hospital and other designated pharmacies. Students will need 130 externship hours to complete the class. Students who do not attend their externship will be marked with an unexcused absence and lose all employability points for the day. Missed time will need to be made up, however, points will not be added back to the week.

HEALTH OCCUPATIONS STUDENT of AMERICA (HOSA):

All students are required to participate in HOSA. The Instructor will select the students for the following offices: **President, Vice President, Secretary/Treasurer, and Reporter**. The officers will be selected by **September 27, 2024**.
